MAKE CHECK PAYABLE TO HAMPTON TOWNSHIP

A PLAN REVIEW may be required before work is started on any building other than a single-family dwelling less than 3,000 square feet, or wiring or alteration to an electrical system that costs more than \$10,000.

Section 23a of the State Construction Act of 1972, Act No. 230 of the Public Acts of 1972, being Section 125 of the Michigan Compiled Laws, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or residential structure. Violators of Section 23a are subject to civil fines.

I agree to abide by all requirements of the electrical code including calling for inspection before any electrical work is covered or used, and upon completion, I will accompany the inspector during the inspection when requested by the electrical inspector.

HOMEOWNER AFFIDAVIT

I hereby certify the electrical work described on this permit application shall be installed by myself in my own home in which I am living or about to occupy. All work shall be in accordance with the Charter Township of Hampton Electrical Code **and shall not be enclosed, covered up, or put into operation until it has been inspected and approved by the Electrical Inspector.** I will cooperate with the Electrical Inspector and assume the responsibility to arrange for necessary inspections.

**Permits are not transferable upon sale or change of ownership.
Open permits will be closed and new permits will be required.**
